

Please don't take K-LOVE off FM translators. K-LOVE has changed my life and the lives of thousands of people with thier encouraging message and uplifting content. I have friends all over the country who listen to K-LOVE on FM stations nation-wide. San Antonio and South Texans listen to K-LOVE on FM 91.3 and we are better for it.

K-LOVE ministers to hearts and helps the hurting and in turn it encourages us to go out into the community and help the hurting there. There is no one who would be better off if K-LOVE was off the air, everyone needs a positive and encouraging station to listen to, and a "safe" station for our children's ears. There is so much negativity on the dial with the "Howard Stern's" out there, K-LOVE is vital to the souls of thousands of people who listen. Christians all over the world support K-LOVE both financially and in prayer. Please don't force them off the FM dial with this new service (LPFM). Please, we have enough Shock jocks and commercials, we need K-LOVE for peace.

Respectfully, Donna Twilla
